XIII. The President of every Court-martial shall be appointed by the Authority convening such Court, and shall in no Case be the confirming Officer or the Officer whose Duty it has been to investigate the Charges on which the Prisoner is to be arraigned; nor in the Case of a General Court-martial under the Degree of a Field Officer, unless a Field Officer cannot be had; nor in any Case whatever under the Degree of a Captain, save in the Case of a Detachment General Court-martial holden out of Her Majesty's Dominions, or of a Regimental or Detachment Court-martial holden on the Line of March, or on board any Transport Ship, Convict Ship, Merchant Vessel, or Troop Ship not in Commission, or on any Foreign Station where a Captain cannot be had: Provided always, that in the Case of a Detachment General Court-martial holden out of Her Majesty's Dominions, the Officer convening such Court may be the President thereof.

XV. All General and other Courts-martial shall have Power and Authority, and are hereby required, to administer an Oath to every Witness or other Person who shall be examined before such Court in any Matter relating to any Proceeding before the same; and every Person, as well Civil as Military, who may be required to give or produce Evidence before a Court-martial, shall, in the Case of General Courts-martial, be summoned by the Judge Advocate General, or his Deputy, or the Person officiating as Judge Advocate, and in the Case of all other Courts-martial, by the President of the Court; and all Persons so summoned and attending as Witnesses before any Court-martial shall, during their necessary Attendance in or on such Courts, and in going to and returning from the same, be privileged from Arrest, and shall, if unduly arrested, be discharged by the Court out of which the Writ or Process issued by which such Witness was arrested, or if such Court be not sitting, then by any Judge of the Superior Courts of *Westminster* or *Dublin*, or of the Court of Session in *Scotland*, or of the Courts of Law in the *East* or *West Indies*, or elsewhere, according as the Case shall require, upon its being made to appear to such Court or Judge, by any Affidavit in a summary Way, that such Witness was arrested in going to or attending upon or returning from such Court-martial; and all Witnesses so duly summoned as aforesaid who shall not attend on such Courts, or attending shall refuse to be sworn, or being sworn shall refuse to give Evidence or not produce the Documents under their Power or Control required to be produced by them, or to answer all such Questions as the Court may legally demand of them, shall be liable to be attached in the Court of Queen's Bench in *London* or *Dublin*, or in the Court of Session, or Sheriff Depute or Stewards Depute, or their respective Substitutes, within their several Shires and Stewartries in *Scotland*, or in Courts of Law in the *East* or *West Indies*, or in any of Her Majesty's Colonies, Garrisons, or Dominions, in *Europe* or elsewhere respectively, upon Complaint made, in like Manner as if such Witness, after having been duly summoned or subpœnaed, had neglected to attend upon a Trial in any Proceeding in the Court in which such Complaint shall be made: Provided always, that nothing in this Act contained shall be construed to render an Oath necessary in any Case where by Law a solemn Affirmation may be made instead thereof.

Previous Convictions to be put in Evidence.

XVI. After a Prisoner has been found guilty of any Charge or Charges, the Court before which any such Prisoner shall have been tried may, before passing Sentence on such Prisoner, and for the Purpose only of affixing Punishment, receive in Evidence against him any previous Convictions by Courts-martial, and in like Manner and for the like Purpose the Court shall receive in Evidence any previous Conviction of such Prisoner by a Court of ordinary Criminal Jurisdiction, where the Offence charged in the Indictment was of a felonious, fraudulent, or unnatural Nature; and in the Case of Convictions by Courts-martial, duly confirmed, the Court-martial Book or the Regimental or Company's Defaulters Book, and when none of those Books can conveniently be produced, a Certificate, which shall purport to contain a Copy of the Entry of such Convictions in such Books or any of them, and which shall be signed by the Adjutant, or other Officer having the Custody of the Court-martial Book or of the Defaulters Book of the Regiment or Company to which the Prisoner belongs, shall be sufficient Evidence of such Conviction; and it shall not be necessary to prove the Signature or official Character of the Person appearing to have signed such Certificate, nor, if the Court be satisfied from all the Circumstances of the Case that the Prisoner under Trial is the Person mentioned in any such Certificate, shall it be necessary to give other Proofs of the Identity of the Person of the Offender; and in the Case of a Conviction by a Court of ordinary Criminal Jurisdiction, any Certificate transmitted as hereinafter provided to the Officer commanding a Regiment by the Clerk of any such Court, or other Officer having Custody of the Records of such Court, or the Deputy of such Clerk, containing the Substance and Effect of any Indictment, omitting the formal Part, together with the Judgment of the Court thereon, and purporting to be signed by such Clerk or other Officer, or by the Deputy of such Clerk, or if such Certificate cannot conveniently be obtained, a Copy thereof, duly certified by the Officer producing it, shall be sufficient Evidence of such last-mentioned Conviction; and it shall not be necessary to prove the Signature or official Character of the Person appearing to have signed such last-mentioned Certificate, nor, if the Court be satisfied from all the Circumstances of the Case that the Prisoner under Trial is the Person mentioned in such Certificate, shall it be necessary to give other Proofs of the

Crimes punishable with Death.

Commutation of Death for Transportation.

XXI. Whensoever any General Court-martial by which any Soldier shall have been tried and convicted of any Offence punishable with Death shall not think the Offence deserving of Capital Punishment, such Court-martial may adjudge the Offender, according to the Degree of the Offence, to Penal Servitude, or to be transported as a Felon for Life, or for a certain Term of Years, not less than Fourteen, or may sentence him to general Service as a Soldier in any Corps and in any Country or Place which Her Majesty shall thereupon direct, or may, if such Offender shall have enlisted for a limited Term of Years, sentence him to serve for Life as a Soldier in any Corps which Her Majesty shall please to direct: Provided always, that in all Cases where a Capital Punishment shall have been awarded by a General Court-martial or Detachment General Court-martial it shall be lawful for Her Majesty, or, if in the *East Indies*, for the Officer commanding in chief the Forces in *India*, or if out of Her Majesty's Dominions (the *Ionian Islands* excepted) for the Officer commanding in chief Her Majesty's Forces there serving, instead of causing such Sentence to be carried into execution, to order the Offender to be kept to Penal Servitude or to be transported as a Felon, either for Life or for a certain Term of Years not less than Fourteen, or to Penal Servitude, or to suffer such Term of Imprisonment, either with or without Hard Labour, as shall seem meet to Her Majesty, or, if in the *East Indies*, or out of Her Majesty's Dominions (the *Ionian Islands* excepted), to the Officers commanding as aforesaid.

Commutation of Death for Transportation.

XXIII. Whensoever any General Court-martial by which any Marine shall have been tried and convicted of any Offence punishable with Death shall not think the Offence deserving of Capital Punishment, such Court-martial may adjudge the Offender, according to the Degree of the Offence, to Penal Servitude or to be transported as a Felon for Life or for a certain Term of Years not less than Fourteen Years, or may sentence him to general Service as a Marine or as a Soldier in any Corps and in any Country or Place which Her Majesty shall thereupon direct, or may, if such Offender shall have enlisted for a limited Term of Years, sentence him to serve for Life as a Marine or as a Soldier in any Corps which Her Majesty shall please to direct: Provided always, that in all Cases where a Capital Punishment shall have been awarded by a General Court-martial or by a Detachment General Court-martial it shall be lawful for Her Majesty, or, if in the *East Indies*, for the Officer commanding in chief the Forces in *India*, or if out of Her Majesty's Dominions (the *Ionian Islands* excepted) for the Officer commanding in chief Her Majesty's Forces there serving, instead of causing such Sentence to be carried into execution, to order the Offender to be kept to Penal Servitude or to be transported as a Felon either for Life or for a certain Term of Years not less than Fourteen, or to Penal Servitude or to suffer such Term of Imprisonment, either with or without Hard Labour, as shall seem meet to Her Majesty, or, if in the *East Indies*, or out of Her Majesty's Dominions (the *Ionian Islands* excepted), to the Officers commanding as aforesaid.

XXV. Whenever Her Majesty shall intend that any Sentence of Penal Servitude or of Transportation heretofore or hereafter to be passed upon any Offender by any Court-martial shall be carried into execution for the Term specified in such Sentence, or for any shorter Term, or shall be graciously pleased to commute, as herein provided, any Sentence of Death which shall have been passed by any such Court, such Sentence, together with Her Majesty's Pleasure upon the same, shall be notified in Writing by the Lord High Admiral, or by any Two or more of the Commissioners for executing the said Office of Lord High Admiral for the Time being, to any Justice of the Queen's Bench, Common Pleas, or Baron of the Exchequer, and thereupon such Justice or Baron shall make an Order for the Penal Servitude or Transportation of such Offender upon the Terms and for the Time which shall be specified in such Notification, and shall also do all such other Acts consequent upon such Notification as any such Justice or Baron is authorized to make or do by any Statute or Statutes in force at the Time of making any such Orders in relation to the Penal Servitude or Transportation of Offenders; and such Order, and other Acts to be so made and done as aforesaid, shall be obeyed and executed by such Person in whose Custody such Offender shall at that Time be, and by all other Persons whom it may concern, and shall be as effectual, and have all the same Consequences, as any Order made under the Authority of any Statute with respect to any Offender in such Statute mentioned; and every Sheriff, Gaoler, Keeper, Governor, or Superintendent whom it may concern, and all Constables and other Persons, shall be bound to obey the

the aforesaid Order and Orders, be assistant in the Execution thereof, and be liable to the same Punishment for Disobedience or interrupting the Execution of such Order, as they would be if the same had been made under the Authority of any such Act of Parliament; and every Person so ordered to Penal Servitude or to be transported as aforesaid shall be subject respectively to all and every the Penalties and Provisions made by Law and in force concerning Persons convicted of any Crime and sentenced to Penal Servitude or to be transported, or receiving Her Majesty's Pardon on Condition of Penal Servitude or Transportation; and from the Time when such Order of Penal Servitude or Transportation shall be made every Law and Statute in force touching the Escape of Felons, or their afterwards returning or their being at large without Leave, shall apply to such Offender, and to all Persons aiding, abetting, contriving, or assisting in any Escape or intended Escape, or the returning without Leave, of any such Offender; and the Judge who shall make any Order of Penal Servitude or Transportation as aforesaid shall direct the Notification of Her Majesty's Pleasure, and his own Order made thereupon, to be filed and kept of Record in the Office of the Clerk of the Crown of the Court of Queen's Bench; and the said Clerk shall have a Fee of Two Shillings and Sixpence only for filing the same, and shall, on Application, deliver a Certificate in Writing (not taking more than Two Shillings and Sixpence for the same) to such Offender, or to any Person applying in his or Her Majesty's Behalf, showing the Christian and Surname of such Offender, his Offence, the Place where the Court was held before which he was convicted, the Sentence, and the Conditions on which the Order of Penal Servitude or Transportation was given; which Certificate shall be sufficient Proof of the Conviction and of the Sentence of such Offender, and also of the Terms in which such Order for his Penal Servitude or Transportation was given, in any Court and in any Proceeding wherein it may be necessary to inquire into the same.

In the Colonies.

XXVI. Whenever any Sentence of Penal Servitude or Transportation heretofore or hereafter passed upon any Offender by any Court-martial holden in the *East Indies*, or in any Part of Her Majesty's Foreign Dominions, or elsewhere beyond the Seas, is to be carried into execution for the Term specified in such Sentence, or for any shorter Term, or when Sentence of Death has been or shall as aforesaid be commuted to Penal Servitude or Transportation, the same shall be notified by the Officer commanding Her Majesty's Forces at the Presidency or Station where the Offender may come or be to some Judge of One of the Supreme Courts of Judicature in the *East Indies*, or Chief Justice or some other Judge, as the Case may be, in any Part of Her Majesty's Foreign Dominions, who shall make Order for the Penal Servitude or Transportation or intermediate Custody of such Offender in like Manner as for the Penal Servitude or Transportation or intermediate Custody of any other Convict; and upon any such Order being made it shall be duly notified to the Governor of the Presidency if in the *East Indies*, or to the Governor of the Colony if in any of Her Majesty's Colonies, or to the Person who shall for the Time being be exercising the Office of Governor of such Presidency or Colony, who on Receipt of such Notification shall cause such Offender to be removed to some Colony or Place in obedience to the Directions for the Removal of Convicts which shall from Time to Time be transmitted from Her Majesty through One of Her Principal Secretaries of State to such Presidency or Colony; and such Offender on being so removed shall undergo the Sentence of Penal Servitude or Transportation which has been passed upon upon him in the Colony or Place to which he has been so removed or sent, and whilst such Sentence shall remain in force shall be liable to be there imprisoned and kept to Hard Labour, and otherwise dealt with under such Sentence, in the same Manner as if he had been sentenced to be imprisoned with Hard Labour during the Term of his Penal Servitude or Transportation by the Judgment of a Court of competent Jurisdiction in the Colony or Place to which he has been so removed or sent: Provided always, that in any Case where a Sentence of Penal Servitude or Transportation shall have been awarded by a General Court-martial or Detachment General Court-martial, it shall be lawful for Her Majesty, or, if in the *East Indies*, for the Officer commanding in chief the Forces in *India*, instead of causing such Sentence to be carried into execution, to order that the Offender be imprisoned for a Term not exceeding Two Years, either with or without Hard Labour and Solitary Confinement not exceeding the Period herein-after prescribed.

An Act to enable the Courts of Law in *England*, *Ireland*, and *Scotland* to issue Process to compel the Attendance of Witnesses out of their Jurisdiction, and to give Effect to the Service of such Process in any Part of the United Kingdom. [10th *July* 1854.]

'WHEREAS great Inconvenience arises in the Administration of Justice from the Want of a Power in the Superior Courts of Law to compel the Attendance of Witnesses resident in One Part of the United Kingdom at a Trial in another Part, and the Examination of such Witnesses by Commission is not in all Cases a sufficient Remedy for such Inconvenience:' Be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows:

Courts of Law in England, Ireland, and Scotland may issue Process to compel the Attendance of Witnesses although not within their Jurisdiction.

I. If, in any Action or Suit now or at any Time hereafter depending in any of Her Majesty's Superior Courts of Common Law at *Westminster* or *Dublin*, or the Court of Session or Exchequer in *Scotland*, it shall appear to the Court in which such Action is pending, or, if such Court is not sitting, to any Judge of any of the said Courts respectively, that it is proper to compel the personal Attendance at any Trial of any Witness who may not be within the Jurisdiction of the Court in which such Action is pending, it shall be lawful for such Court or Judge, if in his or their Discretion it shall so seem fit, to order that a Writ called a Writ of Subpœna ad testificandum or of Subpœna duces tecum or Warrant of Citation shall issue in special Form, commanding such Witness to attend such Trial wherever he shall be within the United Kingdom, and the Service of any such Writ or Process in any Part of the United Kingdom shall be as valid and effectual to all Intents and Purposes as if same had been served within the Jurisdiction of the Court from which it issues.

Statement to be made at Foot of Writ.

II. Every such Writ shall have at Foot thereof a Statement or Notice that the same is issued by the special Order of the Court or Judge, as the Case may be; and no such Writ shall issue without such special Order.

Witnesses making default to be punished by the Courts of the Country in which the Process was served.

III. In case any Person so served shall not appear according to the Exigency of such Writ or Process, it shall be lawful for the Court out of which the same issued, upon Proof made of the service thereof, and of such Default, to the Satisfaction of the said Court, to transmit a Certificate of such Default under the Seal of the same Court, or under the Hand of One of the Judges or Justices of the same, to any of Her Majesty's Superior Courts of Common Law at *Westminster*, in case such Service was had in *England*, or in case such Service was had in *Scotland* to the Court of Session or Exchequer at *Edinburgh*, or in case such Service was had in *Ireland*, to any of Her Majesty's Superior Courts of Common Law at *Dublin*; and the Court to which such Certificate is so sent shall and may thereupon proceed against and punish the Person so having made default in like Manner as they might have done if such Person had neglected or refused to appear in obedience to a Writ of Subpœna or other Process issued out of such last-mentioned Court.

Persons not to be punished if sufficient Money has not been tendered for Expenses.

IV. None of the said Courts shall in any Case proceed against or punish any Person for having made default by not appearing to give Evidence in obedience to any Writ of Subpœna or other Process issued under the Powers given by this Act, unless it shall be made to appear to such Court that a reasonable and sufficient Sum of Money to defray the Expenses of coming and attending to give Evidence, and of returning from giving such Evidence, had been tendered to such Person at the Time when such Writ of Subpœna or Process was served upon such Person.

Act not to prevent the issuing of a Commission, &c.

V. Nothing herein contained shall alter or affect the Power of any of such Courts to issue a Commission for the Examination of Witnesses out of their Jurisdiction, in any Case in which, notwithstanding this Act, they shall think fit to issue such Commission.

Not to affect the Admissibility of Evidence where now receivable.

VI. Nothing herein contained shall alter or affect the Admissibility of any Evidence at any Trial where such Evidence is now by Law receivable, on the Ground of any Witness being beyond the Jurisdiction of the Court, but the Admissibility of all such Evidence shall be determined as if this Act had not passed.

All Offences which shall have been committed and all Causes of Action which shall have accrued in the said *Coventry* Division of the said County before the passing of this Act shall, so far as relates to the Courts of Assize and Nisi Prius, Oyer and Terminer and General Gaol Delivery, be inquired of, heard, and dealt with as if the same had been committed or had accrued in the County of *Warwick* at large.

'Chattels, whereby Persons are enabled to keep up the Appearance of being in good Circum-

Provisional Order for the Application of the Public Health Act to the Borough of Plymouth, in the County of Devon.

GENERAL BOARD OF HEALTH.

WHEREAS it having been ascertained from the last Return, for the Time being, made up by the Registrar General of Births, Deaths, and Marriages, that the annual Number of Deaths in the Municipal Borough of Plymouth, in the County of Devon, has on an Average of Seven Years exceeded during that Period the Proportion of Twenty-three to a Thousand of the Population, due Inquiry and Report have been made under the Public Health Act, 1848, in that Borough.

And whereas from such Report it appears that notwithstanding there is a Local Act in force in the said Borough, intituled "An Act for better paving, lighting, cleansing, watching, and improving the "Town and Borough of Plymouth, in the County of Devon; and for regulating the Police thereof; and "for removing and preventing Nuisances and Annoyances therein," the Mortality of Plymouth is excessive, and that the real Cause of this excessive Mortality is to be found in the generally defective Nature of the existing sanitary Arrangements, and the divided Jurisdiction exercised by the various Public Bodies; that this divided Jurisdiction further causes unnecessary Expense, and effectually prevents the carrying out of general and comprehensive Measures; that the existing Water Supply requires Improvement and Extension; that the present Sewerage and Drainage is much too limited in Extent; and that where Sewers or House Drains are laid down, they are, in many Cases, defective both in Construction and Arrangement; that the partial Provisions made for either Sewerage or House Drains have been carried out at various Periods and in various Ways, instead of on a combined and carefully arranged System, by which alone due Efficiency can be secured, and that the present Outfalls for the Sewage are also highly prejudicial to Health; that the present System of cleansing the Streets and removing the House Refuse is imperfect; that the existing Burial Grounds are unduly crowded and ought to be closed, sufficient Means of Interment existing within a convenient Distance; that many Portions of the Town are insufficiently lighted, particularly a great Number of the Courts and Lanes occupied by the poorer Classes; that it would be a Means of Health and Comfort to all, but particularly the poorer Classes of the Borough, if public Baths and Wash-houses were established.

And whereas the Public Health Act, 1848, contains Provisions for consolidating local Authority in Corporate Districts in the Hands of the Town Council; for improving and extending Water Supply, and compelling such Supply in Houses where the Expense does not exceed 2*d.* a Week; for providing a general Survey on which Sewerage and other Works may be laid down on a comprehensive and economical Plan; for providing an Outfall for Sewerage and carrying Sewers where necessary through private Property; for compelling the Provision of House Drains and Waterclosets; the cleansing of unwholesome

some Houses and Streets; for regulating the Breadth and Levels of new Streets; for closing Burial Grounds where sufficient Means of Interment exist within a convenient Distance; for distributing the Charge for permanent Works over the Period for which the Works are likely to last, and for rating to the Cost of such Works those who are benefited thereby; for intrusting to the Local Board of Health the Care and Management of the Roads; for lighting and other Matters essential to the sanitary Regulation of the District; and for providing for the Repeal, Alteration, Extension, or further Execution of Local Acts.

Now therefore, in pursuance of the Power vested in us by the Public Health Act, 1848, we the said General Board of Health do, by this Provisional Order, under our Hands and Seal of Office, direct:—

That from and after the passing of any Act of Parliament confirming this Order,—

1. "The Public Health Act, 1848," and every Part thereof relating to Corporate Districts, except the Section numbered 50 in the Copies of that Act printed by Her Majesty's Printers, shall apply to the Area comprised within the Boundaries of the said Borough of Plymouth.
2. The Sections of the Towns Police Clauses Act, 1847, with respect to Obstructions and Nuisances in the Streets, and with respect to Fires, and with respect to Places of public Resort; and the Sections of the Towns Improvement Clauses Act, 1847, with respect to naming the Streets and numbering the Houses, and with respect to improving the Line of the Streets and removing Obstructions, and with respect to ruinous or dangerous Buildings, and with respect to Precautions during the Construction and Repair of Sewers, Streets, and Houses; and the Sections with respect to the Prevention of Nuisances numbered 104 and 105; and the Section with respect to the Prevention of Smoke; and the Sections with respect to the Construction of Houses for Prevention of Fire; and the Sections with respect to supplying Buildings with fresh Air, numbered 110, 111, and 112; and the Section with respect to Clocks; and so much of the Sections with respect to Things to be done by the Commissioners by Special Order only, as relates to Baths and Washhouses, except so much of the said last-mentioned Sections as requires any Special Order in respect of the Matters contained therein, shall be incorporated with the unrepealed Parts of the said Local Act, and with the said Public Health Act as applied to the said Borough, and any Act of Parliament confirming the same; and the Expression "the Special Act," used in the said Sections, shall be construed to mean the unrepealed Parts of the said Local Act, and the said Public Health Act so applied; and the Expression "Limits of the Special Act," used in the same Sections, shall be construed to mean the District constituted by this Order, and any Act of Parliament confirming the same; and the Expression "the Commissioners," used in the said Sections, shall mean the said Local Board.
3. The Mayor, Aldermen, and Burgesses of the said Borough shall be by the Council of the said Borough the Local Board of Health under the said Public Health Act.
4. Such Parts of the said Local Act as are specified in the Schedule to this Order shall be repealed, except in so far as relates to anything done before the passing of any Act of Parliament confirming this Order, and except in so far as the same repeal any other Act or Acts of Parliament.
5. The Powers, Authorities, and Duties of the Commissioners for the Time being, acting in execution of the said Local Act, shall cease; and such of them as are granted or imposed by the unrepealed Parts of the said Local Act shall, so far as they are not repugnant to or inconsistent with the said Public Health Act, or this Order, or any Byelaw which shall be lawfully made under the said Public Health Act, be transferred to the said Local Board of Health, and the Officers and Servants of the said Local Board, and shall be exercised as if they had been granted or imposed by the said Public Health Act; and for this Purpose the unrepealed Parts of the said Local Act shall be incorporated with the said Public Health Act as applied to the said Borough, and all Places within the Limits of the said Borough shall be subject to the unrepealed Parts of the said Local Act.
6. The said Local Board shall be the Commissioners for executing the unrepealed Parts of the said Local Act.
7. All Property and Estate of the Commissioners acting in the execution of the said Local Act shall be transferred to the said Local Board of Health, and shall, as near as Circumstances will permit, be held by the said Local Board of Health upon the same Trusts, and for the same Purposes, as by such Commissioners.
8. All Debts, Monies, and Securities for Money contracted or payable by such Commissioners shall be satisfied by the said Local Board out of such Parts of the said transferred Property and Estate as would have been chargeable therewith if this Order had not been made, and shall be paid and satisfied by the said Local Board as by such Commissioners.
9. Provided always, that if such Property and Estate be insufficient for that Purpose, the Deficiency shall be charged upon the Rates leviable under the said Public Health Act, in the Parts only which would have been chargeable with such Deficiency if this Order had not been made.
10. Provided also, that if such Property and Estate be more than sufficient, the Surplus shall be applied to the exclusive Use of the same Parts and to the same Purposes as it would have been if this Order had not been made.

11. All Expenses which shall be incurred by the said Local Board of Health under the unrepealed Parts of the said Local Act, and which shall not be defrayed out of Monies arising under such Local Act, shall be deemed to be Expenses incurred by such Board under the said Public Health Act, and shall be defrayed out of the Rates under that Act (as the nature of the Case may require); and the Monies necessary to be raised for the Purposes of such Local Act may be raised as under the said Public Health Act; and the Provisions of the Public Health Act shall extend and apply to all purchases of Property made under the Powers of such Local Act.
12. Provided always, that this Order, and the Repeal of the Parts of the said Local Act mentioned in the Schedule thereto, shall not prejudicially affect anything done under that Act before the passing of any Act of Parliament confirming this Order; but, notwithstanding this Order and the Schedule hereunto annexed, all such Things shall be as valid, with reference to the said Local Board of Health, as if the same had been done with reference to that Board, and may be dealt with in the same Manner, in all respects, as if they related to that Board instead of such Commissioners.
13. Provided also, that this Order, and the Repeal of the Parts of the said Local Act mentioned in the Schedule hereunto annexed, shall be without Prejudice to any Penalties incurred under the said Local Act, but all such Penalties may be recovered by the said Local Board of Health according to the Provisions of this Order.

Given under our Hands and under the Seal of the General Board of Health, this Third Day of November, in the Year of our Lord One thousand eight hundred and fifty-three.

And whereas Copies of the Report on such further Inquiry, accompanied by a Notice stating that written Statements might be forwarded to the said Board with respect to any Matter contained in or omitted from the said Report, or any Amendment proposed to be made therein, have been duly published and deposited as directed by the said Public Health Act, and the Time for forwarding such Statements has now elapsed, and all such Statements as have been received by the said Board have been duly deposited as required by that Act.

And whereas it appears to the said General Board to be expedient that the Boundaries of the said District should be altered, as recommended by the said Superintending Inspector, but the same cannot be done without the Authority of Parliament.

ABERDARE.

Provisional Order for the Application of the Public Health Act, 1848, to the Parish of Aberdare in the County of Glamorgan.

GENERAL BOARD OF HEALTH.

WHEREAS, it having been ascertained from the last Return for the Time being, made up by the Registrar-General of Births, Deaths, and Marriages, that the annual Number of Deaths within the Boundaries of the Parish of Aberdare, in the County of Glamorgan, has on the Average of Seven Years exceeded the Proportion of Twenty-three to a Thousand of the Population of such Parish, the General Board of Health directed Thomas Webster Rammell, one of their Superintending Inspectors, to visit the said Parish, and to make public Inquiry, and to examine Witnesses as to the Sewerage, Drainage, and Supply of Water, the State of the Burial Grounds, the Number and Sanitary Condition of the Inhabitants,

ants, and as to any Local Acts of Parliament in force within the said Parish for paving, lighting, cleansing, watching, regulating, supplying with Water, or improving the said Parish, or having relation to the Purposes of the said Act; also, as to the natural Drainage Areas, and the existing Parochial or other Local Boundaries, and the Boundaries which might be most advantageously adopted for the Purposes of the said Act.

And whereas the said Superintending Inspector, having previously given the Notices required by the said Act, proceeded upon the said Inquiry in the Manner directed by the said Act, and hath reported in Writing to the said General Board upon the several Matters with respect to which he was so directed to inquire as aforesaid, and upon certain other Matters in respect of which he deemed it expedient to report for the Purposes of the said Act.

And whereas Copies of the said Report, accompanied by a Notice stating that, within the Time directed by the said Act, written Statements might be forwarded to the said Board with respect to any Matter contained in or omitted from the said Report, or any Amendment proposed to be made therein, have been duly published and deposited as required by the said Act, and the Time for forwarding such Statements has now elapsed, and no such Statements have been received by the said Board.

And whereas it appears upon such Report that there is a certain Local Act in force within the said Parish having relation to the Purposes of the said Public Health Act; that is to say,

An Act passed in the Fifteenth Year of the Reign of Her present Majesty Queen Victoria, intituled "An Act for establishing a Market, and for providing a Market House and Slaughter-houses, at "Aberdare, in the County of Glamorgan."

And whereas from such Report it appears,—

1. That the Population of Aberdare has rapidly increased of late Years, and is still increasing with greater Rapidity than at any Period heretofore.
2. That there are no Local Acts in force (with the Exception of a Market Act), nor any Powers for providing for the sanitary Requirements of the Place, or the Comfort and Convenience of the Inhabitants.
3. That being situate in a Valley, at the Confluence of Two Rivers, the Site is occasionally subject to Floods.
4. That there is no Provision for Drainage, and great Deficiency of Privy Accommodation; and that the Inhabitants, for Want of such Provisions, are forced to resort to the most offensive Expedients in disposing of their Refuse; the greater Portion of it being cast upon Spots of Waste Ground, and the public Streets and Thoroughfares, where it accumulates in Heaps and stagnant Pools.
5. That there is no public Provision for Water Supply, the major Part of the Inhabitants resorting to certain Springs or Spouts, some of which yield Water of impure Quality; that the Labour and Loss of Time incurred in procuring a Supply of this Water are so great as to Amount to a serious Evil; and that, as the Population of the Place goes on increasing, this Evil must increase also, unless some timely Provision be made.
6. That the Houses of the Working Classes, from the Causes above cited, and from their being crowded closely together and ill-ventilated, are generally very unhealthy and comfortless Abodes.
7. That the sanitary Condition of the Place is very bad, Fevers and other zymotic Diseases being continuously present; that the Deaths from these Causes, and of young Subjects, are far beyond the Average even in manufacturing Districts.
8. That the Roads are in a State requiring Improvement.
9. That, although a Gas Company exists, there is no public Lighting.
10. That there is One Burial Ground attached to the Parish Church, which is very old, and now quite full; but that further Burial Accommodation, to the Extent of Eleven Acres, in connexion with the Established Church, will shortly be available; but there are Thirteen small Burial Grounds attached to dissenting Chapels of various Denominations, many of which, from their Condition, und from the Position in proximity to Dwellings, it would be desirable to close.
11. That the Comfort and Health of the Inhabitants would be promoted and their Condition improved, by—
    - *a.* Drainage of the Subsoil in Parts.
    - *b.* A complete System of Refuse Drainage.
    - *c.* Proper Privy Accommodation.
    - *d.* An abundant Supply of pure Water.
    - *e.* Improved Ventilation in the Dwellings of the Working Classes.
    - *f.* Improvement in the State of the Roads.
    - *g.* Lighting of the public Streets.
    - *h.* The closing of some of the existing Burial Grounds, and the Provision of adequate Burial Accommodation in their stead.

And whereas it appears to the said General Board to be expedient that the said Public Health Act should be applied to the said Parish; but the same cannot be done without the Authority of Parliament.

Now

Now therefore, in pursuance of the Powers vested in the said Board by the Public Health Act, 1848, We, the said General Board of Health, do, by this Provisional Order under our Hands and official Seal, direct, that from and after the Day appointed for the First Election of the Local Board of Health by any Act of Parliament confirming this Order:—

1. The Public Health Act, and every Part thereof, except the Section numbered 50 in the Copies of that Act printed by Her Majesty's Printers, shall apply to the Parish of Aberdare, in the County of Glamorgan.
2. The Local Board of Health for the said Parish shall consist of Twelve Persons, all of whom shall be elected for the whole of the said Parish.
3. One Third in number of the said Local Board shall go out of Office on the Day next after the Expiration of a Year from the Day appointed by Parliament for the First Election of the said Local Board, and so on annually.
4. Every Person shall, when elected, and while he continues a Member of the said Local Board, be resident, as in the Public Health Act, 1848, is required, and be possessed of Real or Personal Estate, or both, to the Amount of not less than Five hundred Pounds, or shall be so resident and rated to the Relief of the Poor of the said Parish, or of some Township or Place of which some Part is within the said District, upon an annual Value of not less than Twenty-five Pounds.
5. At the First Election of the said Local Board, the Reverend John Griffith, Vicar of Aberdare, shall perform the Duties which it may be requisite for him to perform in conducting the said First Election; and in case the said John Griffith, from Illness or other sufficient Cause, shall be unable to discharge such Duties, or shall be absent, or shall refuse to act, then David Davies, Coal Proprietor, Blaen Gwawr, Aberdare, shall perform such of the said Duties as then remain to be performed.
6. The Fourteen Days Notice of Qualification required by the Public Health Act, 1848, to be given by Owners of Property in order to entitle them to vote at the said First Election shall be given to the said John Griffith, at his Residence, the Vicarage, Aberdare; or in case he shall refuse or be unable to receive the same, then to the aforesaid David Davies, at his Residence, Blaen Gwawr, Aberdare.

Given under our Hands and under the Seal of the General Board of Health, this Twenty-fourth Day of January, in the Year of our Lord One thousand eight hundred and fifty-four.

An Act for the Valuation of Lands and Heritages in *Scotland.* [10th *August* 1854.]

'WHEREAS it is expedient that One uniform Valuation be established of Lands and Heritages in 'Scotland, according to which all public Assessments leviable or that may be levied according to 'the Real Rent of such Lands and Heritages may be assessed and collected, and that Provision be made 'for such Valuation being annually revised:' Be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows:

Commissioners of Supply and Magistrates of Burghs to make up Valuation Roll annually.

I. The Commissioners of Supply of every County and the Magistrates of every Burgh in *Scotland* respectively shall annually cause to be made up a Valuation Roll, showing the yearly Rent or Value for the Time of the whole Lands and Heritages within such County or Burgh respectively and separately, within each Parish or Part of a Parish situated within such County or Burgh respectively, and specifying in each Case the Nature of such Lands and Heritages, and the Names and Designations of the Proprietors or reputed Proprietors, and where there are Tenants or Occupiers, of the Tenants and of the Occupiers thereof respectively; and within Two Months after the passing of this Act, the Commissioners of Supply of each County, and the Magistrates of each Burgh, shall hold a Meeting and adopt such Measures as will enable the First Valuation Roll under this Act to be made up by the Fifteenth Day of *August*, One thousand eight hundred and fifty-five.

Officer of Inland Revenue to assist the Commissioners of Supply and Magistrates in making up the Valuation Roll.

II. In making up the Valuation Roll, the Commissioners of Supply and Magistrates respectively may take the Assistance of the Officer of Inland Revenue charged with the Duty of assessing to the Income Tax in such County or Burgh respectively; and such Commissioners and Magistrates respectively may, from Time to Time, as often as they may deem it necessary, by their Order in Writing, to be signed by their Clerk, require any Officer of Inland Revenue, charged with the Duty of assessing the Income Tax in such County or Burgh respectively, to appear before them when and where, and as often as such Commissioners and Magistrates respectively may deem expedient, and to produce all Assessments and other Documents in the Custody or Power of such Officer relating to the Value of, or Assessment on, all or any of the Property within the several Parishes or Places within his District or Division, and to be examined on Oath, and answer such Questions as the said Commissioners and Magistrates respectively may put to him touching the said Assessments, or the Value of the Property contained therein: Provided always, that it shall be in the Power of such Commissioners or Magistrates, if they think fit, not to insert in any Valuation Roll under this Act, the Names or Designations of the Tenants or Occupiers of any Lands and Heritages separately let for a shorter Period than One Year, or at a Rent not amounting to Four Pounds *per Annum.*

Appointment and Duties of Assessors.

III. In order to the making up of such Valuation, the Commissioners of Supply of each County, and the Magistrates of each Burgh respectively shall, as Occasion requires, appoint One or more fit and proper Persons to be Assessors or Assessor for the Purposes of this Act; and it shall be the Duty of such Assessors annually to ascertain and assess the yearly Rent or Value of the several Lands and Heritages within the County or Burgh respectively, other than the Lands and Heritages of Railway and Canal Companies, which are herein-after specially provided for, and to make up such Valuation Roll thereof in the Manner by this Act prescribed; and every such Assessor shall be appointed either for the whole County or Burgh, or for some particular Portion or District thereof, to be prescribed by the Commissioners of Supply or Magistrates respectively; and every such Assessor shall, on being appointed by the said Commissioners of Supply or Magistrates respectively, and before entering upon the Duties of his Office, declare that he will faithfully and honestly perform the Duties thereof; and every such Assessor shall be removeable at the Pleasure of the said Commissioners or Magistrates respectively.

Assessors to make up Valuation Roll by 15th August in each Year.

IV. In every County and Burgh the First Valuation Roll to be made up as aforesaid under this Act shall be made up by the Assessors acting under this Act on or before the Fifteenth Day of *August* One thousand eight hundred and fifty-five; and a new Valuation Roll shall be annually made up by the Assessors on or before the Fifteenth Day of *August* in every subsequent Year.

Notice to be given to Persons whose Property is valued.

V. On or before the Twenty-fifth Day of *August*, and not earlier than the Fifteenth Day of *July* in each Year, the Assessor shall transmit or cause to be transmitted to each Person included in his Valuation, whether as Proprietor or Tenant or Occupier, a Copy of every Entry in such Valuation Roll wherein such Person shall be set forth either as Proprietor or Tenant or Occupier, along with a Notice to such Person that if he considers himself aggrieved by such Valuation he may appeal against the same to the Commissioners of Supply of the County or to the Magistrates of the Burgh, as the Case may be, in Terms of this Act, or may obtain Redress without the Necessity of such Appeal, by satisfying the Assessor, on or before the Eighth Day of *September* in each Year, that he has well-founded Ground of Complaint; and such Copy and Notice may be served by handing the same to such Person personally, or leaving the same, or sending it through the Post Office, at his Residence or usual Place of Abode; and where the Residence or Place of Abode of such Person is unknown, it shall be sufficient if Service be made as aforesaid upon his Factor or Agent, or be addressed to him at the Office of the Clerk of Supply of the County or Town Clerk of the Burgh, as the Case may be: Provided always, that where, in making up his Valuation as aforesaid, the Assessor is merely to repeat an Entry which occurred in

in the Valuation of the immediately preceding Year, it shall not be necessary for the Assessor to transmit such Copy and Notice as aforesaid to the Person or Persons specified in such merely repeated Entry.

Yearly Rent or Value, how to be estimated.

VI. In estimating the yearly Value of Lands and Heritages under this Act, the same shall be taken to be the Rent at which, one Year with another, such Lands and Heritages might in their actual State be reasonably expected to let from Year to Year; and where such Lands and Heritages consist of Woods, Copse, or Underwood, the yearly Value of the same shall be taken to be the Rent at which such Lands and Heritages might in their natural State be reasonably expected to let from Year to Year, as Pasture or Grazing Lands; and where such Lands and Heritages are *bonâ fide* let for a yearly Rent conditioned as the fair annual Value thereof, without Grassum or Consideration other than the Rent, such Rent shall be deemed and taken to be the yearly Rent or Value of such Lands and Heritages in Terms of this Act: Provided always, that if such Lands and Heritages be let upon a Lease the stipulated Duration of which is more than Twenty-one Years from the Date of Entry under the same, or in the Case of Minerals more than Thirty-one Years from such Date of Entry, the Rent payable under such Lease shall not necessarily be assessed as the yearly Rent or Value of such Lands and Heritages, but such yearly Rent or Value shall be ascertained in Terms of this Act irrespective of the Amount of Rent payable under such Lease, and the Lessee under such Lease shall be deemed and taken to be also the Proprietor of such Lands and Heritages in the Sense of this Act, but shall be entitled to Relief from the actual Proprietor thereof, and to Deduction from the Rent payable by him to such actual Proprietor, of such Proportion of all Assessments laid on upon the Valuations of such Lands and Heritages made under this Act, and payable by such Lessee as Proprietor in the Sense of this Act, as shall correspond to the Rent payable by such Lessee to such actual Proprietor as compared with the Amount of such Valuation.

Assessor may call for written Statement of Rent.

VII. It shall be lawful for any Assessor acting under this Act to call upon any Person, being a Proprietor or reputed Proprietor or Tenant or Occupier within the County or Burgh or District for which such Assessor is appointed, for a written Statement of the yearly Rent or Value and of all other Particulars required by this Act of all Lands and Heritages within such County or Burgh or District of which such Person is Proprietor or reputed Proprietor, or Tenant or Occupier; and if any such Person shall, without reasonable Excuse, fail to furnish such written Statement to such Assessor within Fourteen Days after he shall be called upon in Writing so to do, he shall be liable to pay a Penalty not exceeding Twenty Pounds; and if any such Person shall present or cause to be presented to such Assessor any false Statement of such yearly Rent or Value or other Particulars as aforesaid, he knowing the same to be false, he shall be liable to pay a Penalty of Fifty Pounds.

Courts of Appeal.

VIII. Transverse Areas.

(2.) Then, the Hold being first sufficiently cleared to admit of the required Depths and Breadths being properly taken, find the Transverse Area of such Ship at each Point of Division of the Length as follows:—Measure the Depth at each Point of Division, from a Point at a Distance of One Third of the Round of the Beam below such Deck, or, in case of a Break, below a Line stretched in continuation thereof, to the upper Side of the Floor Timber at the Inside of the Limber Strake, after deducting the average Thickness of the Ceiling which is between the Bilge Planks and Limber Strake; then, if the Depth at the Midship Division of the Length do not exceed Sixteen Feet, divide each Depth into Four equal Parts; then measure the inside horizontal Breadth at each of the Three Points of Division, and also at the upper and lower Points of the Depth, extending each Measurement to the average Thickness of that Part of the Ceiling which is between the Points of Measurement; number these Breadths from above (*i.e.* numbering the upper Breadth One, and so on down to the lowest Breadth); multiply the Second and Fourth by Four, and the Third by Two; add these Products together, and to the Sum add the First Breadth and the Fifth; multiply the Quantity thus obtained by One Third of the common Interval between the Breadths, and the Product shall be deemed the Transverse Area; but if the Midship Depth exceed Sixteen Feet, divide each Depth into Six equal Parts instead of Four, and measure as before directed the horizontal Breadths at the Five Points of Division, and also at the upper and lower Points of the Depth; number them from above as before; multiply the Second, Fourth, and Sixth by Four, and the Third and Fifth by Two; add these Products together, and to the Sum add the First Breadth and the Seventh; multiply the Quantity thus obtained by One Third of the common Interval between the Breadths, and the Product shall be deemed the Transverse Area.

Computation from Areas.

(3.) Having thus ascertained the Transverse Area at each Point of Division of the Length of the Ship as required by the above Table, proceed to ascertain the Register Tonnage of the Ship in the following Manner:—Number the Areas successively 1, 2, 3, *&c.*, No. 1. being at the extreme Limit of the Length at the Bow, and the last No. at the extreme Limit of the Length at the Stern; then, whether the Length be divided according to the Table into Four or Twelve Parts as in Classes 1 and 5, or any intermediate Number as in Classes 2, 3, and 4, multiply the Second and every even numbered Area by Four, and the Third and every odd numbered Area (except the First and Last) by Two; add these Products together, and to the Sum add the First and Last if they yield anything; multiply the Quantity thus obtained by One Third of the common Interval between the Areas, and the Product will be the Cubical Contents of the Space under the Tonnage Deck; divide this Product by One hundred, and the Quotient being the Tonnage under the Tonnage Deck shall be deemed to be the Register Tonnage of the Ship, subject to the Additions and Deductions herein-after mentioned.

Poop and any other closed-in Space.

(4.) If there be a Break, a Poop, or any other permanent closed-in Space on the Upper Deck, available for Cargo or Stores, or for the Berthing or Accommodation of Passengers or Crew, the Tonnage of such Space shall be ascertained as follows:—Measure the internal mean Length of such Space in Feet, and divide it into Two equal Parts; measure at the Middle of its Height Three inside Breadths, namely, one at each End and the other at the Middle of the Length; then to the Sum of the End Breadths add Four Times the Middle Breadth, and multiply the whole Sum by One Third of the common Interval between the Breadths; the Product will give the mean horizontal Area of such Space; then measure the mean Height, and multiply by it the mean horizontal Area; divide the Product by One hundred, and the Quotient shall be deemed to be the Tonnage of such Space, and shall be added to the Tonnage under the Tonnage Deck, ascertained as aforesaid, subject to the following Provisoes; first, that nothing shall be added for a closed-in Space solely appropriated to the berthing of the Crew, unless such Space exceeds One Twentieth of the remaining Tonnage of the Ship, and in case of such Excess the Excess only shall be added; and, secondly, that nothing shall be added in respect of any Building erected for the Shelter of Deck Passengers, and approved by the Board of Trade.

In case of Two or more Decks.

(5.) If the Ship has a Third Deck, commonly called a Spar Deck, the Tonnage of the Space between it and the Tonnage Deck shall be ascertained as follows:—Measure in Feet the inside Length of the Space at the Middle of its Height from the Plank at the Side of the Stem to the Lining on the Timbers at the Stern, and divide the Length into the same Number of equal Parts into which the Length of the Tonnage Deck is divided as above directed; measure (also at the Middle of its Height) the inside Breadth of the Space at each of the Points of Division, also the Breadth of

the

the Stem and the Breadth at the Stern; number them successively 1, 2, 3, *&c.*, commencing at the Stem; multiply the Second and all the other even numbered Breadths by Four, and the Third and all the other odd numbered Breadths (except the First and Last) by Two; to the Sum of these Products add the First and Last Breadths; multiply the whole Sum by One Third of the common Interval between the Breadths, and the Result will give in Superficial Feet the mean horizontal Area of such Space; measure the mean Height of such Space, and multiply by it the mean horizontal Area, and the Product will be the Cubical Contents of the Space; divide this Product by One hundred, and the Quotient shall be deemed to be the Tonnage of such Space, and shall be added to the other Tonnage of the Ship ascertained as aforesaid; and if the Ship has more than Three Decks, the Tonnage of each Space between Decks above the Tonnage Deck shall be severally ascertained in manner above described, and shall be added to the Tonnage of the Ship ascertained as aforesaid. *Measurement of Tonnage.*

RULE II.

22. Ships which, requiring to be measured for any Purpose other than Registry, have Cargo on board, and Ships which, requiring to be measured for the Purpose of Registry, cannot be measured by the Rule above given, shall be measured by the following Rule, herein-after called Rule II.: *For Ships not requiring Registry, &c.*

(1.) Measure the Length on the Upper Deck from the Outside of the outer Plank at the Stem to the Aftside of the Stern Post, deducting therefrom the Distance between the Aftside of the Stern Post and the Rabbet of the Stern Post at the Point where the Counter Plank crosses it; measure also the greatest Breadth of the Ship to the Outside of the outer Planking or Wales, and then, having first marked on the Outside of the Ship on both Sides thereof the Height of the Upper Deck at the Ship's Sides, girt the Ship at the greatest Breadth in a Direction perpendicular to the Keel from the Height so marked on the Outside of the Ship on the one Side to the Height so marked on the other Side by passing a Chain under the Keel; to Half the Girth thus taken add Half the main Breadth; square the Sum; multiply the Result by the Length of the Ship taken as aforesaid; then multiply this Product by the Factor ·0018 (Eighteen Ten-thousandths) in the Case of Ships built of Wood, and by ·0021 (Twenty-one Ten-thousandths) in the Case of Ships built of Iron, and the Product shall be deemed the Register Tonnage of the Ship subject to the Additions and Deductions herein-after mentioned. *Length.* *Breadth.* *Girting of the Ship.*

(2.) If there be a Break, a Poop, or other closed-in Space on the Upper Deck, the Tonnage of such Space shall be ascertained by multiplying together the mean Length, Breadth, and Depth of such Space, and dividing the Product by 100, and the Quotient so obtained shall be deemed to be the Tonnage of such Space, and shall, subject to the Deduction for a closed-in Space appropriated to the Crew as mentioned in Rule I., be added to the Tonnage of the Ship ascertained as aforesaid. *Poop and other closed-in Spaces on Upper Deck.*

RULE III.

23. In every Ship propelled by Steam or other Power requiring Engine Room, an Allowance shall be made for the Space occupied by the propelling Power, and the Amount so allowed shall be deducted from the gross Tonnage of the Ship ascertained as aforesaid, and the Remainder shall be deemed to be the Register Tonnage of such Ship; and such Deduction shall be estimated as follows; (that is to say,) *Allowance for Engine Room in Steamers.*

(*a.*) As regards Ships propelled by Paddle Wheels in which the Tonnage of the Space solely occupied by and necessary for the proper working of the Boilers and Machinery is above Twenty *per Cent.* and under Thirty *per Cent.* of the gross Tonnage of the Ship, such Deduction shall be Thirty-seven One-hundredths of such gross Tonnage; and in Ships propelled by Screws in which the Tonnage of such Space is above Thirteen *per Cent.* and under Twenty *per Cent.* of such gross Tonnage, such Deduction shall be Thirty-two One-hundredths of such gross Tonnage: *To be rateable in ordinary Steamers.*

(*b.*) As regards all other Ships, the Deduction shall, if the Commissioners of Customs and the Owner both agree thereto, be estimated in the same Manner; but either they or he may in their or his Discretion require the Space to be measured and the Deduction estimated accordingly; and whenever such Measurement is so required the Deduction shall consist of the Tonnage of the Space actually occupied by or required to be inclosed for the proper working of the Boilers and Machinery, with the Addition in the Case of Ships propelled by Paddle Wheels of One Half, and in the Case of Ships propelled by Screws of Three Fourths of the Tonnage of such Space; and the Measurement and Use of such Space shall be governed by the following Rules; (that is to say,) *May be measured where the Space is unusually large or small.*

(1.) Measure the mean Depth of the Space from its Crown to the Ceiling at the Limber Strake, measure also Three, or, if necessary, more than Three Breadths of the Space at the Middle of its Depth, taking One of such Measurements at each End, and another at the Middle of the Length; take the Mean of such Breadths; measure also the mean Length of the Space between the foremost and aftermost Bulkheads or Limits of its Length, excluding such Parts, if any, as are not actually occupied by or required for the proper working of the Machinery; multiply together these Three Dimensions of Length, Breadth, and Depth, and the Product will be the Cubical Contents of the Space below the Crown; then find the Cubical Contents of the Space or Spaces, if any, above the Crown aforesaid, which are framed in for the Machinery or for the Admission of Light and Air, by multiplying together the Length, Depth, and Breadth thereof; add such Contents to the Cubical Contents of the Space below the Crown; divide the Sum by 100; and the Result shall be deemed to be the Tonnage of the said Space: *Mode of Measurement.*

(2.) If

Measurement of Tonnage.

In case of separate Compartments.

(2.) If in any Ship in which the Space aforesaid is to be measured the Engines and Boilers are fitted in separate Compartments, the Contents of each shall be measured severally in like Manner, according to the above Rules, and the Sum of their several Results shall be deemed to be the Tonnage of the said Space:

Shaft Trunk of Screw Steamer.

(3.) In the Case of Screw Steamers in which the Space aforesaid is to be measured, the Contents of the Shaft Trunk shall be added to and deemed to form Part of such Space, and shall be ascertained by multiplying together the mean Length, Breadth, and Depth of the Trunk, and dividing the Product by 100:

Alteration of Engine Room.

(4.) If in any Ship in which the Space aforesaid is to be measured any Alteration be made in the Length or Capacity of such Space, or if any Cabins be fitted in such Space, such Ship shall be deemed to be a Ship not registered until Remeasurement:

Penalty for carrying Goods in such Space.

(5.) If in any Ship in which the Space aforesaid is to be measured any Goods or Stores are stowed or carried in such Space, the Master and Owner shall each be liable to a Penalty not exceeding One hundred Pounds.

RULE IV.

Open Ships how measured.

24. In ascertaining the Tonnage of open Ships the upper Edge of the upper Strake is to form the Boundary Line of Measurement, and the Depths shall be taken from an athwartship Line, extended from upper Edge to upper Edge of the said Strake at each Division of the Length.

Tonnage and Number of Certificate to be carved on Main Beam.

25. In every registered *British* Ship the Number denoting the Register Tonnage, ascertained as herein-before directed, and the Number of her Certificate of Registry, shall be deeply carved or otherwise permanently marked on her Main Beam, and shall be so continued; and if it at any Time cease to be so continued such Ship shall no longer be recognized as a *British* Ship.

Tonnage when once ascertained to be ever after deemed the Tonnage.

26. Whenever the Tonnage of any Ship has been ascertained and registered in accordance with the Provisions of this Act, the same shall thenceforth be deemed to be the Tonnage of such Ship, and be repeated in every subsequent Registry thereof, unless any Alteration is made in the Form or Capacity of such Ship, or unless it is discovered that the Tonnage of such Ship has been erroneously computed; and in either of such Cases such Ship shall be remeasured, and her Tonnage determined and registered according to the Rules herein-before contained in that Behalf.

Remeasurement of Ships already registered may be made, but not to be compulsory.

27. The Rules for the Measurement of Tonnage herein contained shall not make it necessary to alter the present registered Tonnage of any *British* Ship registered before this Act comes into operation; but if the Owner of any such Ship desires to have the same remeasured according to such Rules, he may apply to the Commissioners of Customs for the Purpose, and such Commissioners shall thereupon, and on Payment of such reasonable Charge for the Expenses of Remeasurement, not exceeding the Sum of Seven Shillings and Sixpence for each Transverse Section, as they may authorize, direct such Remeasurement to be made, and such Ship shall thereupon be remeasured according to such Rules as aforesaid, or according to such of them as may be applicable; and the Number denoting the Register Tonnage shall be altered accordingly.

Power to remeasure Engine Rooms improperly extended.

28. If it appears to the Commissioners of Customs that in any Steam Ship measured before this Act comes into operation Store Rooms or Coal Bunkers have been introduced into or thrown across the Engine Room, so that the Deduction from the Tonnage on account of the Engine Room is larger than it ought to be, the said Commissioners may, if they think fit, direct such Engine Room to be remeasured according to the Rules in force before this Act comes into operation, excluding the Space occupied by such Store Rooms or Coal Bunkers, or may, if the Owners so desire, cause the Ship to be remeasured according to the Rules herein-before contained, and subject to the Conditions contained in the last preceding Section; and after Remeasurement the said Commissioners shall cause the Ship to be registered anew, or the Registry thereof to be altered, as the Case may require.

Officers may be appointed and Regulations made for Measurement of Ships.

29. The Commissioners of Customs may, with the Sanction of the Treasury, appoint such Persons to superintend the Survey and Admeasurement of Ships as they think fit; and may, with the Approval of the Board of Trade, make such Regulations for that Purpose as may be necessary; and also, with the like Approval, make such Modifications and Alterations as from Time to Time become necessary in the Tonnage Rules hereby prescribed, in order to the more accurate and uniform Application thereof, and the effectual carrying out of the Principle of Admeasurement therein adopted.

Delivery of Certificate may be required. Penalty for Detention.

Certificate of Registry.

was reasonable Cause for such Refusal the Offender shall incur a Penalty not exceeding One hundred Pounds; but if it is made to appear to such Justice or Court that the Certificate is lost, the Party complained of shall be discharged, and such Justice or Court shall thereupon certify that the Certificate of Registry is lost.

Penalty for using improper Certificate.

52. If the Master or Owner of any Ship uses or attempts to use for the Navigation of such Ship a Certificate of Registry not legally granted in respect of such Ship, he shall be guilty of a Misdemeanor, and it shall be lawful for any Commissioned Officer on Full Pay in the Military or Naval Service of Her Majesty, or any *British* Officer of Customs, or any *British* Consular Officer, to seize and detain such Ship, and to bring her for Adjudication before the High Court of Admiralty in *England* or *Ireland* or any Court having Admiralty Jurisdiction in Her Majesty's Dominions; and if such Court is of opinion that such Use or Attempt at Use has taken place, it shall pronounce such Ship, with her Tackle, Apparel, and Furniture, to be forfeited to Her Majesty, and may award such Portion of the Proceeds arising from the Sale of such Ship as it may think just to the Officer so bringing in the same for Adjudication.
